2015 Dues Reminder

This note is a friendly reminder that 2015 membership dues for the Association are due in January. The annual dues are only \$12 per household, which you will realize is a steal when you see what your Association is cooking up for this year. Membership dues account for almost all of our income and if we are to continue to send out printed newsletters and sponsor neighborhood events we need your help.

You may pay by check or pay online at our website through PayPal (no PayPal account necessary - credit cards accepted) by clicking on the "donate" button on our membership page. Our website address is www.hawcreeknc.org

If paying by check, make your check to HCCA and mail to:

Brother Wolf Educational Seminar

Kim Masnick

Join us on Thursday, March 12, at 7:00 pm, when Brother Wolf Animal Rescue will be presenting a talk at St. John's Episcopal Church, 290 Old Haw Creek Road. They will explain what Brother Wolf is trying to accomplish in our community, highlighting different areas of concern in realizing a more humane environment for animals, including a reduction in animal deaths, helping community members in caring for their pets, outreach in various public events as well as volunteer opportunities

Volunteer Opportunities

Creating fun activities and events and communicating them to our neighbors require many hands, ideas and talents. We are in need of help with the following volunteer opportunities. If you can help please contact hawcreeknc@gmail.com

EVENTS GROUP – Are you the type of person who likes getting people together for fun or education? We are looking for individuals who would enjoy working with others to plan and coordinate events for our neighborhood. You could choose to work on just one event or work with a group to plan annual events such as the BBQ, holiday party, educational events, etc.

NEWSLETTER – Do you have an interest in writing, interviewing interesting neighbors, love the history of Haw Creek, like taking photos? Then put your creative talents to good in creating our quarterly newsletters where we communicate important news to the neighborhood.

ROADSIDE CLEAN UP – Help keep our neighborhood beautiful with regularly scheduled clean ups. Two are already scheduled for 2015 and if needed, a couple more may be added.

Thank you

HCCA would like to offer our sincere thanks to St. John's Episcopal Church. The church has generously offered the use of their facilities for the Association to use for many of this year's events.
