HAW CREEK TO FORM NEIGHBORHOOD WATCH

On June 4, over 120 neighbors gathered to learn how we can increase the safety of Haw Creek by working together with our neighbors and the Asheville Police Department. You can find a [recap of the meeting here](#). Neighbors were able to ask a lot of important questions about recent crimes and share their observations about things they have seen in the neighborhood. Through a discussion on additional safety measures we can implement, there was great support for establishing an active Neighborhood Watch in Haw Creek. And that's where we need your help!
