Dear Haw Creek Neighbors,

On behalf of the City and City Council, I wanted to express my heartfelt gratitude for your donation of \$67,000 to build a parking lot and trailhead kiosk at Masters Park. These much needed amenities will allow even more residents to enjoy the outdoors and beauty of our City.

Parks are an essential asset to any city, and a visible reflection of the community. This donation from Haw Creek Community Association represents the best of Asheville: a group of neighbors dedicated to enhancing the quality of life for everyone. Your care and investment in Masters Park and your neighborhood shows.

As you are aware, this park would not exist without collaboration between the Community Association, City of Asheville, and Buncombe County. I hope we maintain this partnership as our community continues to grow.

Thank you again for your generous donation. I look forward to visiting Masters Park in the future.

Sincerely,

Esther E. Manheimer  
Mayor
